Community Skills Training Programme

We offer online basic skills training focused on:

- Basic Computer Literacy
- Basic Bookkeeping Skills
- Basic Mathematics

Our programmes are designed to help individuals improve practical skills for personal development, small businesses, and entry-level work readiness.

Important Notice:
This training programme is **not a registered or accredited institution** in Namibia. The courses are offered for **skills development purposes only** and do not lead to nationally recognised qualifications.

Fees Structure

- **Application Fee:** N$50 (non-refundable)
- **Annual Training Fee:** N$2,000 per learner, payable after admission
- The fee can be paid in portions with a minimum of 200 per month

The annual fee covers access to learning materials, online sessions, assessments, and administrative support for one year.

Admission

Admission is based on successful application and payment of the application fee. Payment of the annual fee is required to secure a place after acceptance.

For more information or to apply, please contact us through our website.
